

Stephen Leacock	<p style="text-align: center;">The Unsolved Riddle of Social Justice By Stephen Leacock (1869-1944)</p> <p>This lengthy political essay by noted Canadian humourist Stephen Leacock was written while he was professor of political economy at McGill University. He argues for a middle ground between individualism/capitalism and pure socialism. Listeners in the early 21st century may find this 90-year old essay oddly topical.
